MESSAGE FROM THE LEADER OF THE OPPOSITION

It gives me great pleasure to send my best wishes to the organisers and participants of this year's African Music and Cultural Festival (AMCF) 2023.

As the largest annual African festival in Victoria, the African Music and Cultural Festival showcases an amazing array of vibrant music, dancing, cultural performances and authentic African food.

The festival is a highlight of Victoria's multicultural calendar and reminds us all of the rich cultural tapestry of our great State.

Through this festival, we are joined together and united as Victorians to share a variety of food, listen to diverse music and witness beautiful dances.

Through this festival all Victorians have a wonderful opportunity to learn more about the journey, history, traditions and customs of the many African cultural groups that call Victoria home.

I congratulate the African Music and Cultural Festival for organising this fantastic event and I wish all those attending the most enjoyable time.
