

OFFICE OF THE GOVERNOR  
VICTORIA

## **2024 AFRICAN MUSIC AND CULTURAL FESTIVAL**

The African Music and Cultural Festival, a recent addition to Victoria's cultural celebrations, has become one of our State's most lively and cherished events.

In its eleventh year, this festival continues to showcase and share African culture, food, music, art and much more.

This celebration of community acts as a bridge, connecting our two continents and bringing us closer together.

Communities from across Africa's 54 nations are increasingly calling Victoria home, strengthening the cultural fabric of our State.

The African Music and Cultural Festival exemplifies the growing and vibrant nature of multiculturalism in Victoria.

On behalf of all Victorians, I want to thank all the volunteers and supporters whose efforts make this festival possible.

**Professor the Honourable Margaret Gardner AC**

Governor of Victoria
