

MESSAGE FROM THE LORD MAYOR OF MELBOURNE

Soak up Melbourne's vibrant multicultural spirit at the 11th African Music and Cultural Festival.

The City of Melbourne is proud to be a longtime supporter of this free community festival, which brings people together for an unforgettable day filled with African beats, delicious cuisine and family-friendly activities.

With celebrations representing the rich cultures, histories and traditions of some 35 different African countries, it's a fantastic way to explore and experience the diversity of an entire continent at Melbourne's own Fed Square.

Thank you to the festival organisers, volunteers, artists and stallholders for bringing the world to Melbourne, and providing a vital platform for emerging artists to showcase their talents and culture with pride.

Come join Melbourne's incredible Australian–African community for the largest African festival in the nation, in the heart of Australia's events capital.
